**SKILLS  
FOR LIFE**

## Course Information

This **FREE** course is aimed at adults living in Hampshire aged 19+ who would like to develop their knowledge and skills further about working in the UK. This course will help if you would like support and guidance from a tutor to look for work in the UK. You will develop your English skills further to be able to answer interview questions confidently using the STAR method. Your tutor will also help you to identify your next steps towards employment or further learning. The course will include:

- Support to develop a professional CV and cover letter
- Find out about ways you can learn new skills for employment through volunteering, apprenticeships, SWAPS or skills bootcamps
- Practice answering interview questions confidently using the STAR method
- Create a progression plan using SMART targets for your next steps

## Commitment

- ✓ You will attend a tutor-led group session 2 hours a week for 6 weeks
- ✓ You will be offered learning tasks to carry out at home, in your own time
- ✓ You will be offered the opportunity to progress to further learning

## Eligibility & Contact Details

There are no formal entry requirements for this course but is most suitable for ESOL learners who are at an ESOL Level E3 (A2/B1) or above.
