Additional training may be added as required to support tutor development.

Mandatory training:

All tutors are expected to complete annual training in Safeguarding, PREVENT and British Values

- **Safeguarding** training, The course we would currently recommend is from the same organisation as the Prevent training Education and Training Foundation and can be accessed [here](#). If you are an HCC employee, then you can also access safeguarding training via the Learning Zone.
- **PREVENT** training: Prevent training can be accessed through Education and Training Foundation or Home Office Prevent training. Links to these can be found on the VLE. These are free external courses which provide a certificate at the end.
- **British Values:** We offer two paths for training with British values, an on demand online course from our VLE and virtual workshops throughout the year.

- For tutors who have difficulty accessing online learning material there is a possibility of joining an in person safeguarding induction course with new colleagues from Skills and Participation. Please contact Wendy Scott wendy.scott2@hants.gov.uk to discuss.

Additional CPD opportunities:

For tutors new to online delivery, we strongly recommend the following webinars from ETF. Each webinar is an hour long and has links to additional independent learning.

- [Meeting the online accessibility needs of all our learners.](#)
- [Adapting content quickly to deliver online.](#)
- [Making the most of online learning.](#)
- [Making webinars more inclusive.](#)

VLE Content

Our VLE has a wealth of information from previous CPD events, including SMART objectives. The Tutor Handbook provides information on completing quality documentation, assessment, roles, and responsibilities, embedding maths and English. We will be adding to this throughout the year.
