On the Hampshire Achieves 'Preparation for English Functional Skills' course a young, homeless learner demonstrated determination and commitment to study.

This young person learner walked a long distance each week to attend his English course whilst being homeless. He attended his course regularly, demonstrated incredible resilience and fully participated and engaged in the class despite these personal barriers, successfully achieving the course outcomes. Hampshire Achieves were delighted to hear that he has now been provided accommodation via a homeless support organisation.

The learner has expressed an interest in progressing to a level 2 functional skills qualification course and planning towards his future career. He has completed an online initial assessment and we look forward to welcoming him onto the next accredited course starting in January 2025. We truly wish this determined young person all the best with his future studies and high hopes for a promising future.
