Safeguarding

Our staff have a **duty of care** to keep you safe from harm. We will talk to our **safeguarding lead** if we are worried that you, or someone you know, may be at risk, or experiencing:

- Physical, emotional, sexual, financial or domestic abuse
- Neglect or self-harm.
- Discrimination, harassment, bullying or hate crime
- Exploitation or modern slavery
- Extremism or radicalisation.

Prevent

Prevent is a national programme that aims to stop people from being radicalised and becoming terrorists or supporting terrorism.

- It is about safety, not punishment
- It tackles harmful ideas
- It is about early help
- It values diversity

If you are worried that you, or someone you know is at risk of harm, please speak to your tutor. You can also **contact our safeguarding team** at:

British Values

Democracy – we listen to other people's voices and we make decisions together.

The Rule of Law – we behave in a way that keeps everyone safe.

Individual Liberty – we have the freedom to make choices.

Mutual Respect – we respect our differences, such as our backgrounds, culture, values and beliefs.
