Additional training may be added as required to support tutor development.

### **Mandatory training:**

All tutors are expected to complete annual training in Safeguarding, PREVENT and British Values

- **Safeguarding** training: The course we would currently recommend is from the same organisation as the Prevent training Education and Training Foundation and can be accessed [here](#). If you are an HCC employee, then you can also access safeguarding training via the Learning Zone.
- **PREVENT** training: Prevent training can be accessed through Education and Training Foundation or Home Office Prevent training. Links to these can be found on the VLE. These are free external courses which provide a certificate at the end.
- **British Values**: We offer two paths for training with British values, an on demand online course from our VLE and virtual workshops throughout the year.

[ProtectUK | Home](#) – counter terrorism support and guidance to effectively protect and prepare. There are free e-learning courses (once registered), including modules on ACT (action counters terrorism) awareness. Those with access to the Learning Zone can also access these courses there.

For tutors who have difficulty accessing online learning material there is a possibility of joining an in person safeguarding induction course with new colleagues from Participation and Lifelong Learning. Please contact Wendy Scott [wendy.scott2@hants.gov.uk](mailto:wendy.scott2@hants.gov.uk) to discuss.

### **Additional CPD opportunities:**

[The Education Training Foundation \(etfoundation.co.uk\)](http://etfoundation.co.uk)

The Education Training Foundation offers free courses to tutors, with a wide range of topics.

### **VLE Content**

Our VLE has a wealth of information from previous CPD events, including SMART objectives. The Tutor Handbook provides information on completing quality documentation, assessment, roles, and responsibilities, embedding maths and English. We will be adding to this throughout the year.
