"The course has been life changing for me in giving me the ability to believe in myself and give me the self-awareness that I too can be confident.

I thought confidence was either something 'you are, or you are not', but this course made me realise that it is in fact a learnt behaviour and Lesley was amazing giving me the steps and ability to learn that behaviour and go forward in my life so much more confidently.

I'd recommend this course to everyone! It really has put me in a consciously competent mind frame!"
