R cares for her grandson who is under 2 years old during the week while her son and daughter in law are at work.

R felt the course had been very good and delivered with good humour. She found it to be a helpful refresher for First Aid and has given her more confidence to be able to cope in an emergency with her grandson.

R and her husband have recently moved into the area to be closer to their family to help them out with childcare. The course also helped with her community connections by meeting new people and finding out a little more about the area from other learners attending the course.

If the learner would like to add any additional information, comments or feedback about the **impact** that the course had on them, please use the section below:
