After 14 years of being a home help I stopped during covid to care for my elderly mother-in-law until she passed away last year. This left me at a bit of a crossroads. I'd lost a lot of self-confidence and didn't really know what I wanted to do.

It was my daughter who discovered this course and encouraged me to apply, which was very much out of my comfort zone.

I was very nervous to start with, but Emma has the ability to bring the best out in people and make you feel at ease. The group exercises helped build confidence and the information and help with my CV was invaluable.

Whilst the course was taking place, Emma was buying a drink in the café in the Discovery Centre when she overheard staff saying they had a vacancy coming up. Emma told them she knew of someone who would be a perfect fit, and she knew I would love to work there.

Within a couple of days, I had a short interview and was offered the job! Emma helped immensely with that, down to recommending me, helping with my CV and introductions before a short interview.

It was a bit of an unexpectedly productive week all around for which I am very grateful.

If the learner would like to add any additional information, comments or feedback about the **impact** that the course had on them, please use the section below:

"Just to say thank you again for this week. I think I was in a bit of a daze earlier at how this week has panned out and didn't really thank you properly. You are the most inspirational person I have ever met and I don't say that lightly. So thank you again for bringing a little bit of me back.

Forever thankful"
