Please tell us why you think this learner's story, or group of learners' stories is important to share.

We would like to know **what impact** the course had, or what difference it made to them. Please feel free to include any photographs, work products, learner comments etc. below:

I have attended various Learning in Libraries art courses at both Tadley Library and Basingstoke Discovery Centre. These courses have helped my mental health enormously after suffering long term chronic illness due to COVID 19 and not being able to work. The courses are relaxed, in small groups and with like-minded people. The tutors, Rachel and Jacky are so kind and supportive, they have given me tips on pacing myself and how to adapt my art using different tools to help with my chronic fatigue. Without these courses I wouldn't leave home or get to meet like-minded people which would make my mental health worsen.

If the learner would like to add any additional information, comments or feedback about the <b>impact</b> that the course had on them, please use the section below:	

Thank you for completing this Learner Impact Form. If you would prefer to submit an audio recording or video, please contact adult.learning@hants.gov.uk.
