"I found the course to be very enjoyable and I believe it has helped me a great deal.

I suddenly lost my partner 18 months ago, at the same time that I had arranged to take early retirement. The life changes that I have had to cope with this last year and a half have at times been difficult, even though I have had great support from my family and friends. This course was the first step I have taken to try and move forward, to create new interests and experiences on my own.

This course was perfect for this, because it was a short course, so not too daunting, in a quiet and friendly atmosphere, and was expertly run. I was unaware that such courses were being made available, and I think they are really worthwhile.

The course has not only given me a new hobby to pursue but has really helped me to move forward on the path I now find myself on.

I would like to thank everyone associated with providing these courses and Hampshire Achieves."
