Feedback from 2 ladies that have attended art sessions at Gosport Discovery Centre

Learner 1

I first started Art session after I retired from working in a pharmacy in 2014. Now it is 2025 and I am still attending which shows how much I enjoy them.

My family travelled the world with the Army and schooling was rich and varied but always aimed at getting a career, or, as a female, being prepared for being a housewife. So, it was cookery and needlework only. Thus when the chance to do art came along I jumped at it.

Thanks to the Discovery Centre and Isabel's patience I now get to do something I love. It has been a godsend, helping with my well-being especially whilst dealing with my husband's dementia. I met a lovely bunch of other ladies, and we have become friends.

I am glad that Hampshire County Council and the Discovery Centre have found the funds for these courses and long may they do so.

Learner 2

I retired and relocated from Oxford to Hampshire 10 years ago. Although I had family in Hampshire, I needed to establish myself with a new daily routine. The Discovery Centre was my lifeline. Where I firstly attended art every Friday and then my sister encouraged me to join an Art Class, where I first met Isabel. I used the Discovery Centre a few times a week for coffee and reading magazines feeling it was somewhere to go to get out of the house. I didn't think about what I would do in retirement, but the Discovery Centre gave me a new life particularly with Art. Working with Isobel has introduced me into a new interest where I have learnt how to use many different mediums.

I have made new friends over coffee and look forward to seeing them regularly at art where we swap ideas some personal things we laugh and chat, but of course paint too!
