FREE ONLINE COURSE

PREPARATION FOR MATHS FUNCTIONAL SKILLS

Hampshire
County Council

**SKILLS
FOR LIFE**

Course Information

This **FREE** online course is aimed at adults living in Hampshire aged 19+ who would like a taster of the maths functional skills curriculum. This course will support you to gain essential numeracy skills needed to progress in the workplace, education or at home. The course will include the following:

- Increase your confidence using everyday maths
- Develop your basic numeracy skills
- Discover what is involved in the maths functional skills qualification course

Commitment

- ✓ You will attend a tutor-led online session 2 hours a week for 6 weeks
- ✓ You will be offered learning tasks to carry out at home, in your own time
- ✓ You will be offered the opportunity to progress to further learning

Eligibility & Contact Details

There are no formal entry requirements for this course, but it is aimed at learners who do not currently have a Grade C (or equivalent) at GCSE in maths. You will need access to a suitable device with a camera and microphone.

This course is **FREE OF CHARGE** and funded by the UK Government for adults living in Hampshire aged 19+. If you are unsure if you are eligible for this course, please contact our team at adult.learning@hants.gov.uk, or see our website at: [Hampshire Adult Tailored Learning | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/adult-learning).

How to Apply

It's simple!

Just complete our online, secure application form using the link [Hampshire Achieves Adult Tailored Learning Application Form](#), or scan the QR Code:
