blue tit

twinkl.co.uk

A male blackbird is shown in profile, facing right. It has a sleek, black body with a prominent, bright orange beak and a small, yellowish-orange ring around its eye. The bird is standing on a patch of green grass. The background is a soft-focus field of grass, creating a bokeh effect. The entire image is framed by a thick, rounded green border.

A photograph of a magpie perched on the edge of a blue bird table. The bird has black plumage on its head, back, and tail, with a prominent white patch on its shoulder and a white breast. Its wings show iridescent blue-green feathers. The bird is facing right. The background is a blurred green, suggesting foliage. The entire image is framed by a thick green border.

A photograph of a yellowhammer bird standing on a snowy slope. The bird is facing right, showing its brown and yellow plumage. The background is a clear blue sky. The entire image is framed by a thick green border with rounded corners.

yellowhammer

twinkl.co.uk

A close-up photograph of a yellowhammer bird perched on a thin, brown branch. The bird has a yellowish-brown head and neck, with a dark eye and a small, pointed beak. Its body is covered in brown and black streaks, particularly on the wings and back. The background is a soft, out-of-focus light blue-grey. The entire image is framed by a thick green border with rounded corners.
