

Summer Project 2020 Level 2 Creative Media

1. Write a review of a film or TV series episode(s), see the 'Writing a film review' handout on how to write a film review. (500/700 words)
2. Take a series of photographs depicting your life over the summer, these could be for example documentary or reportage photography that show family within the home, parents / siblings relaxing / working from home, carrying out everyday chores cooking/cleaning, gardening etc. Other photographs may encompass anything interesting you may see on a walk such as cloud formations, landscapes, other views, other images may include personal objects you use such as phone / game console / controllers etc really anything of interest to you.

You can use either your phone camera or other.

Please take several images (different angles/perspectives) of any one particular subject matter you find interesting.

You must show all photos on a power-point 4 images per page, from these select the best 12 images and show them as 12 large photos 1 photo per slide

Explain why you have selected these 12 photos as your most favoured?

Submit your work in the first week of term.
