

Application Process and Virtual Events for 2020-21

The courses we have on offer

At BCoT, we have courses to suit everyone!

If you would like to find out more about the subjects you are interested in, you can find lots of useful information here including course content and entry requirements on our website:

<https://www.bcot.ac.uk/>

Please use this link to find an apprenticeship: <https://www.gov.uk/apply-apprenticeship>

Applying to BCoT

Our Applications are now open! For information about applying and to apply for a course: <https://www.bcot.ac.uk/information/how-to-apply/>. You will then be taken through a simple five-step process, and when you have submitted your application, you will be invited to a virtual interview with a curriculum tutor. During this virtual meeting, you will receive further information about the course and be given a conditional offer. Please note that you can only apply for one course. If you change your mind about which course you would like to study, we can change this for you and you will receive a new interview slot.

» EVENTS

We had a Virtual Open Event in October, with a variety of talks, including a 'Welcome from the Principal', an Apprenticeship talk, a Support talk, as well as subject level talks. These all included a live Q&A.

If you are interested in an apprenticeship, we have our **Apprenticeship Fair on Tuesday 9th February from 4-7pm**. This gives you the opportunity to discuss different options, ask questions and meet potential employers.

» VIRTUAL OPEN EXPERIENCE

Over December and January, we are adding content to our website for the **Virtual Open Experience**.

- A new college tour
- An interactive map
- Subject level talks, showing the facilities we have and student perspectives
- Live Q&A sessions in January via Google Meet

If you have any questions, please do contact us as nextyear@bcot.ac.uk and we will be happy to help!
