#### Signature:

### Instructions

- Use **black** ink or ball-point pen.
- Fill in the boxes at the top of this page with your name, centre number and candidate number.
- Sign the declaration.
- Answer **all** questions.
- Write your final answers in the boxes provided.
- Answer the questions in the spaces provided there may be more space than you need.
- You **must** show clearly how you get your answers in the spaces provided. Marks will be awarded for your working out.
- Check your working and your answers at each stage.
- Diagrams are **not** accurately drawn, unless otherwise indicated.
- Calculators may be used.
- If your calculator does not have  $\pi$  button take the value of  $\pi$  to be 3.14

### Information

- The total mark for this section is 42.
- The total mark for this paper is 56.
- The marks for each question are shown in brackets – use this as a guide as to how much time to spend on each guestion.
- This sign  $\sqrt{}$  shows where marks will be awarded for showing your checks.

### Advice

- Read each question carefully before you start to answer it.
- Check your answers if you have time at the end.
