'A' began ESOL lessons with Hampshire Achieves in September 2023. She completed several courses at E3 / L1 level (Intermediate ESOL). She was very keen to improve her English so that she could progress to higher education in the UK. She made very good progress in all areas of English and demonstrated both determination and commitment.

In addition to her lessons, she asked for guidance with her personal statement and UCAS forms as she was keen to apply for a higher-level university course. We discussed these and how they might be improved.

The Hampshire Achieves Adult Learning Team were delighted to hear that 'A' was successfully accepted onto an IT course at the University of Winchester (September 2024) and has now started her study. Although she will be missed in her ESOL course, this will greatly improve her employment prospects in the UK when she has completed her three years of study.

If the learner would like to add any additional information, comments or feedback about the **impact** that the course had on them, please use the section below:
